Exciting new thinking

Outstanding outside, innovative inside. The new Tiguan shows what it means to keep reinventing yourself.

Intelligent technology gives it exceptional abilities. As a dynamic SUVW, with the latest tech and brand new look, it's full of reasons to get excited.

Skip boring with the exciting new Tiguan.

Skip ordinary

It's not often that an SUV comes along that changes the way people think about cars. The latest Tiguan is that vehicle, a stunning addition to Volkswagen's SUVW portfolio that sets new benchmarks in terms of style, refinement and pure driver appeal. From the powerful proportions to the dynamic front with its precise lines to the pronounced shoulders, the expressive silhouette is a definite head turner.

At the front, Volkswagen's newest SUVW's striking bonnet with the new wider radiator grille envelops the new Volkswagen badge.

At the rear, the Tiguan lettering is now in a prominent central position. The new front and rear bumpers, striking R18 'Frankfurt' Alloy wheels lend the new Tiguan a significantly more confident and assured look.

Skip standing still

The Tiguan shines in full splendor thanks to the LED matrix headlights featuring the intelligent and adaptive IQ.LIGHT.

The IQ.LIGHT matrix is a revolutionary vehicle lighting system made of 24 individual LEDs that guide the driver through the night with enhanced convenience and comfort. It has a dynamic and advanced front lighting system (AFS) with range control, cornering light, poor weather light that provides specially configured light beams for country roads, highways and off-road driving. The advanced front lighting system (AFS) adapts the lighting in front of the vehicle to various driving situations by changing the geometry of the headlight beam.

At the rear, the attractive dark red LED combination taillights with integrated turn signal exude sophistication.

Skip conventional

The generous interior of the new Tiguan is a space for forward-thinkers. With the intuitive controls of the driver-oriented cockpit you can now concentrate completely on the essentials.

The premium spacious cabin with its Vienna leather seats, stylish decorative inserts along the soft touch dashboard and door trim make every journey an experience. The LED interior lighting in the front and rear and the ambient lighting create a cosy atmosphere and the electric panoramic sunroof gives your passengers an unforgettable view.

The new Tiguan's, electric driver seat adjustment, illuminated gear knob, illuminated scuff plates and USB C-ports are nifty little additions that go a long way. The Volkswagen signature flat bottom multifunction steering wheel ensures control is at your fingertips at all times. While the intuitive cruise control enables a stress-free and comfortable highway cruising experience.

01

02

03

01 Customizable 25.4 cm high-resolution TFT Digital Cockpit

When driving, do you want to just keep your eye on the road and engine speed displays? Or do you want more driving data? Maybe you want the name of the song you're listening to? Or a selection of the above? The choice is literally in your hands. Using the multifunction steering wheel, you can simply configure the digital cockpit. Just the way you like it.

02 Ambient lighting

Bring the interior to glow gently in one of 30 selectable colors. Whether a cooler or warmer color climate, in the illuminated metropolis or at night on the dark country road, with the ambient lighting you can create a different, suitable atmosphere depending on the occasion.

03 20.32 cm touchscreen infotainment system

The intuitive touchscreen infotainment system effortlessly gives you access to music, calls and stay connected with Android Auto™ and Apple Carplay™. It also allows you to access important information about your Tiguan including its tyre pressure and other essential statistics at just a glance.

Skip complicated

Fitted with state-of-the-art technology, the new Tiguan swaps complexity for convenience.

Gesture control

Small gestures go a long way in the new Tiguan. Navigating the main menu, changing radio stations, scrolling through playlists and accessing to music albums, all of it possible at the flick of a wrist.

Easy open boot

The new Tiguan's easy open and close boot function lets you open its spacious 615 L trunk hands-free. Just move your foot below the rear, it recognises the car key in your pocket and pops open the trunk.

Touch and slide AC

The new Tiguan gives you precision control over your air conditioning with a sleek new touch panel. It's only one quick swipe to adjust the 3-zone smart climate control, so you can find the perfect temperature without ever taking your eyes off the road.

Skip compromise

Stepping behind the wheel of the new Tiguan is a powerful feeling. In more ways than one.

German engineering at its finest, it's where power and efficiency work in tandem. Run by a turbocharged 2.0L TSI engine, clocking an impressive power of 190 PS and 320 Nm torque, a power-packed and efficient driving experience is always there for the taking. Its 4MOTION technology with drive mode selection seamlessly distributes power between the front and rear wheels, whereas 7-Speed DSG gives you the best of manual and automatic transmission for smoother and quicker gear shifts.

2.0 L TSI engine

Volkswagen's revolutionary 2.0L TSI engine brings to the table 190 PS of raw power and 320 Nm torque. Equal parts exciting and economical, it sets itself apart from conventional petrol engines by delivering spectacular power and torque with lower fuel consumption.

4MOTION with drive mode selector

Our advanced 4MOTION technology keeps the new Tiguan gripped firmly to the road. As conditions change, it distributes power between the front and rear wheels to help optimize traction and stability.

7-speed DSG

The Tiguan's 7-Speed DSG predicts your next gear shift before you actually make it. This allows for smoother shifts and quicker gear changes which translate to higher on-road performance and comfortable drives.

Skip Disconnected.

With my Volkswagen Connect.

3-year free subscription

Introducing My Volkswagen Connect. Our distinct connectivity solution that gives you unparalleled access to your Tiguan, through your smartphone. Stay updated with its location at all times. Find what's nearby, starting from parking to fuel stations. Get real time reports and save your information on the cloud. Access it anytime you like. Stay on top of the hustle with My Volkswagen Connect.

My Volkswagen Connect

Get the best of safety, convenience and performance to make your time with Volkswagen that much more enjoyable.

Never get lost with it:

Get real time location of your car from wherever you are. Find out where to park it. Then find out where you parked it. And then find a way to walk to it.

Be possessive:

Get notified every time your car goes out of an area or at a time that you haven't permitted it to. In fact, get notified even when it stays idle for longer than you want it to.

Never leave your car:

Get a detailed report of how efficiently your car was driven, kilometres travelled, halt locations and average travel speed, and get notified if someone goes over the speed limit. Then get it all logged in. From wherever you are.

Never be alarmed:

The anti-theft alarm system sends notification straight to your phone anytime someone tows it away.

Check up on your car:

Record Service history of your car, generate real-time analysis of its health, and get easy access to Volkswagen Roadside Assistance services in case of an emergency.

Fuel the journey:

Find out where the closest fuel stations are on your way. Then keep a log of where it was filled, how many times, and at what cost.

Know your car:

Get all your vehicle's real-time information, including the battery level, coolant temperature, engine RPM, ignition status, vehicle speed.

ELECTRONIC STABILITY CONTROL

6 AIRBAGS

ANTI-LOCK BRAKING SYSTEM

ELECTRONIC DIFFERENTIAL LOCK

FRONT & REAR DISC BRAKES

HILL DECENT CONTROL

Skip uncertain

Safety has a new standard with Volkswagen Tiguan.

6 airbags adjust to crash impact and severity, to protect you and everyone inside. Its dependable Electronic Stability Control dramatically improves stability and reduces any loss of traction, while the responsive Electronic Differential Lock and Anti-lock Braking System prevent any unexpected skids. Navigating elevated terrains is easier than ever with its reliable Hill Decent Control. Front and rear disc brakes make for secure and worry-free drives. Advanced reversing camera with active guidelines and camera lens adjustment offering four different views for a safe and convenient parking.

Rest assured, the new Tiguan's intelligent safety systems let you take on the road with confidence.

Experience a whole lot more with Volkswagen Service

You call it going beyond. We call it service

At Volkswagen, our top priority is to ensure we provide a peaceful ownership experience with a strong value proposition for all our services and products. We are glad to bring you more transparency, greater accessibility, and convenience at delightfully affordable prices. With initiatives like One Price Assurance, Service Cam, Service Cost Calculator, Online Service booking, Service Value Packages, Extended Warranty and more. We offer you an ownership experience like no other.

Volkswagen 4EVER Care is standard with every Volkswagen

Every Volkswagen car promises a hassle-free ownership experience, from the day you buy it. Enjoy:

- 4 year/ 100,000 km warranty – extendable up to 7 years and 150,000 km
- 4 Years Road Side Assistance – extendable up to 10 years
- 3 Free Services* – 1 000 km, 7 500 km and 15 000 km service

*Only labour free

Enjoy peace of mind for years with Volkswagen's wide range of services

Extended Warranty

Enjoy smooth sailing for years to come with Volkswagen's extended warranty. Ensure protection against labour and spare part cost inflation, 100% genuine parts guaranteed. Pan India Serviceability at any VW workshop by certified technicians.

Now avail extended warranty services for up to 6 years with the 4+1 year (covering the 5th year) and 4+2 years (covering 5th and 6th years). Purchase an add-on warranty at the end of +2 year extended warranty coverage and get the full 7-year range.

Service Value Package

Great foresight leads to great value and great times ahead. With Volkswagen Service Value Packages, ensure protection against labour and spare part cost inflation, 100% genuine parts guaranteed. Get your Volkswagen serviced by Volkswagen certified Technicians. We have a wide range of portfolio which covers periodic maintenance as well as running repair parts.

Body and Paint Value Packages

With Volkswagen authorised body and paint services, keep your Volkswagen looking stylish for many years to come. with our Body and Paint services, you get benefits including Volkswagen trained service executives, genuine parts and infallible repair procedures.

Roadside Assistance

No matter where you are, Volkswagen cars come with 24 X 7 assistance across India. Stay worry free with Volkswagen roadside assistance, extendable for up to 10 years. Call any of the following numbers for Volkswagen roadside support: **1800 102 1155 / 1800 419 1155**

Volkswagen service network

Wide Service network with touchpoints across India

Get assured services with trained technicians and standard equipment that will cater to all your Volkswagen needs.

Volkswagen service comes to you with Volkswagen Assistance and Mobile Service Unit. Get convenience on the go with the Volkswagen range of services.

Volkswagen Assistance

Expert care, at your doorstep

With Volkswagen assistance, caring for your car is now effortless. Enjoy more time to yourself while we care for your car

Mobile Service Units

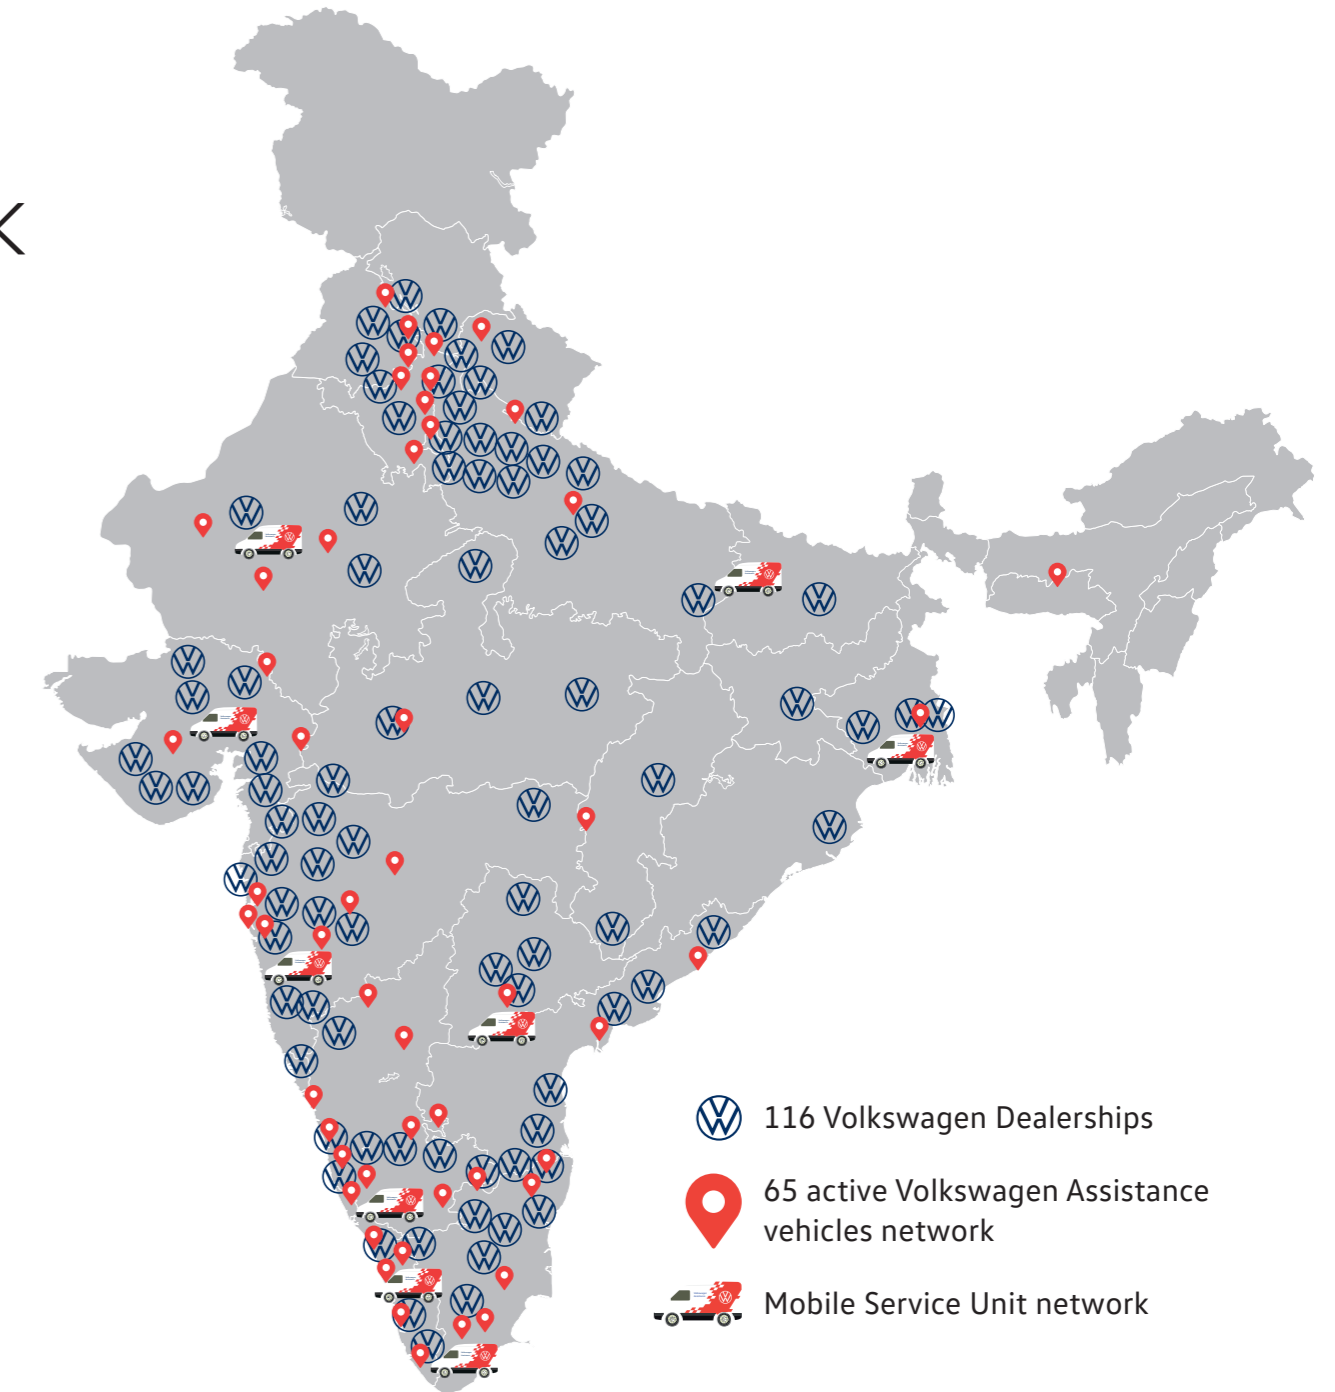

Workshop service, wherever you are
